

WE ARE HIRING

We are P-IE (Planit Intelligent Environments), a design practice with a passion for outside spaces and the role they play as building blocks for our communities.

We are looking for resourceful and driven **Graduate Landscape Architects** and **Year Out Landscape Architects** in our Manchester and London studios to support of our experienced teams' work on some of the industry's most exciting national and international projects. Willing to pitch in at all stages of our projects, you must have excellent graphic skills and be used to working under pressure to challenging deadlines. In return you will gain professional experience on a wide range of projects, at a variety of scales, at all stages of the design process. Take a look at the news on our website or @PlanitIE twitter feed to see the type of projects you could be working on.
