## Graduate & Year out Landscape Architects

We have opportunities for graduate and year out landscape architects based in our Newcastle city centre studio.

We can offer design work on a wide range of exciting projects, training support for P2C and BIM, good salary & benefits, great career development opportunities and a fun friendly supportive studio to work in.

We would like designers with flair, originality, love of graphics, attention to detail, and a true interest in developing themselves as a landscape architect.

Please send a CV and portfolio sample to [efletcher@colour-udl.com](mailto:efletcher@colour-udl.com)  
For an informal chat call Emma or Steve on 0191 2424 224.
