

Creative people making a difference

# Landscape Consultants Required

Birmingham / Southampton / Bristol / Oxford

Range from £17,000 - £28,000

Due to the continued success of our Landscape Teams throughout the UK, we are looking to appoint Landscape Consultants in our Birmingham, Bristol, Oxford and Southampton offices.

Typical duties would include:-

- Project design from initial sketch plans through to detailed planting schemes and construction detailing
- Production of graphics and presentation material
- Preparation of Landscape and Visual Impact Assessment (LVIA) documents
- Providing project support to the landscape teams
- Assisting with and carrying out landscape & visual impact assessment and landscape/ townscape characterisation on a wide range of developments including wind farms, EFV, major infrastructure and mixed use schemes
- Contributing to and assisting with preparation and co-ordination of Environmental Statements as part of EIA
- Landscape design support to the wider professional team
- Prepare hand drawn illustrative sketches for initial concept design and presentation purposes.
- Preparation of fully scheduled and quantified AutoCAD landscape drawings, including plans, elevations, sections and construction details.
- Preparation of Landscape Visual Impact Assessment's including research information, associated designations and Zone of Visual Influence Plans.
- Liaise with local authorities, clients and sub-consultant's, representing RPS in a professional manner.

You will need to be able to work effectively as part of a team and possess excellent communication skills, both written and oral. You will also need to have a flexible and creative nature, with a conscientious attitude and excellent attention to detail.

Ideally, you will need to be a Part III Qualified Landscape Architect. A good working knowledge of AutoCAD is essential as is the ability to take instruction and work well as part of a Team.

These roles represent an excellent opportunity to showcase your talents whilst developing your career within one of the UK's leading Multi-Disciplinary Consultancies.

To apply, or for more information, contact our Recruitment Manager, Geoff Thorpe via e-mail at [geoff.thorpe@rpsgroup.com](mailto:geoff.thorpe@rpsgroup.com)

RPS is an equal opportunities employer

## Our Company

RPS is a leading multi-disciplinary consultancy with the expertise to support clients through the development process, from planning to design to implementation.

We are acknowledged as experts in planning, transport, landscape and environmental consultancy and we are award winning architects, civil, structural and mechanical and electrical engineers.

RPS has grown into one of the world's pre-eminent consultancies by maintaining its local connections whilst underpinning these with the resources and knowledge of a global business.

We employ 5,000 people in the UK, Ireland, the Netherlands, the United States, Canada, Brazil, Africa, the Middle East, Australia and Asia. Our international presence allows us to undertake co-ordinated and integrated projects throughout the world.
