JOB OPPORTUNITY GRADUATE LANDSCAPE ARCHITECT

Us

Anthony Stiff Associates currently has a vacancy within our **vibrant, award winning, design-based practice**.

We can offer you a wide range of experience in **landscape design, management and assessment** in the public and private realms. We are currently working on many design projects from concept through to completion on the ground, plus Landscape Assessments and other studies and large scale landscape management projects. We can provide an excellent grounding and mentoring for completing your Pathway to Chartership.

Our strength is in the **wide variety of work** that we undertake at a **range of scales**. All members of the **close-knit team** play a hands-on role working within a friendly and productive environment.

You

We are looking for a highly motivated, well organised individual, who is excellent at communication, design and presentation, hand drawing, IT and some/all of the following: AutoCad, Vectorworks, InDesign, Photoshop, ArcView, and Sketchup. If you have these qualities we would like to hear from you to discuss the opportunities and experience that we can offer you. You will play an important part in helping us deliver projects to a high quality of design and presentation.

In Return

We can offer you excellent experience in a wide variety of projects. You will gain experience of projects at all stages including specifications, contracts and tendering and seeing the jobs being built on site. **Salary will be competitive**, with a **workplace pension** from January 1st and with appropriate **training, CPD sessions** (including P2C mentoring) provided as part of your **career development**.

Location

We are located on Milton Park Business Park with good access to A34, A40, M40, and M4, easily **commutable by car, bus and train from Oxford and surrounding towns, with good links to Reading, Swindon and Newbury**. We are 5 minutes from Didcot station which has a shuttle bus service to Milton Park. The Park has a good range of facilities including a gym and car share scheme.

Contact Anthony Stiff or Carolyn Place on 01235 832800 for a chat or email your details, your CV with examples of work and with a covering letter describing how you consider that you meet our requirements to:

Closing Date 22nd June 2016.

"I gained a wealth of experience at ASA. I have been involved in all aspects of projects including client consultations, concept design, detail design and site supervision during the landscape works. The partner involvement and exposure to all aspects of the landscape profession has fully prepared me for my returning MLA year." Joseph Wade, University of Sheffield –former Year Out Placement
