

***Balston Agius – Landscape Architects and Garden Designers –
Landscape Technician required***

A well established and experienced landscape architect and garden design practice is looking for a competent Landscape Technician to join the team in our Wiltshire office on either a part-time or full time basis. Proficiency in AutoCAD, Sketch-up, Photoshop and NBS is essential. You will be responsible for the following tasks:

- Preparation of illustrated plans and visualisations
- Creating Digital 3D models of landscapes and landscape features
- Preparation of working drawings and details
- Liaising with other consultants
- Management of up to date drawing records and documents
- Preparation of other documents (bills of quantities, NBS specifications, etc.)

E-mail a CV and covering letter to Catherine Hewens ch@balstonagius.co.uk.
