

LANDSCAPE ARCHITECT (CMLI) / LANDSCAPE ARCHITECT ASSISTANTS/ GRADUATES

We are looking to appoint the following staff to join our busy and friendly office working on a wide range of exciting projects in the UK:

Chartered Landscape Architect (CMLI)

The successful applicant will have a minimum of 4 year^{â€™}s post-qualification experience, and have a proven track record on the preparation of Landscape and Visual Impact Assessments and/or detailing and delivery of large infrastructure projects. Candidates should be able to take responsibility for co-ordination of projects and client liaison, working as part of and leading teams of staff in design development and all aspects of the preparation of LVIA's.

In addition to relevant experience you will possess, strong presentation and communication skills and a good working knowledge of Autocad and Adobe Creative Suite.

Landscape Architect Assistants/ Graduates

This is an excellent opportunity for enthusiastic and self-motivated designers who are, or are looking to become, Licentiates of the LI to develop and add to their current skills in a dynamic and progressive environment, with the view to working towards Chartership status. Individuals will be encouraged to show initiative, with responsibility commensurate with progress. Full mentorship for the Pathway to Chartership will be available.

The successful candidates will have a proven competency in AutoCAD and Adobe Creative Suite. Strong 3D graphic and freehand drawing skills would be advantageous.

These are exciting opportunities to join a leading landscape consultancy practice with a well-established team at a competitive salary.

If you are interested in either position please e-mail emma@bca-landscape.com attaching your CV and examples of your work. For further information please call the office on (01926) 614031.
