

Graduate/Year Out Landscape Architect Opportunity

B|D landscape architects are an award winning design consultancy with outstanding expertise in the field of public realm design and a growing reputation for contemporary landscape architecture, urban design and place-making.

We believe in creating **extraordinary effects** with *ordinary things* to deliver meaningful and much loved public places.

Year Out Landscape Architect

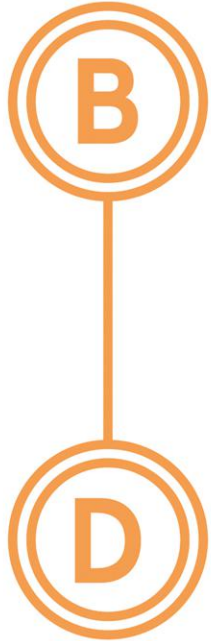

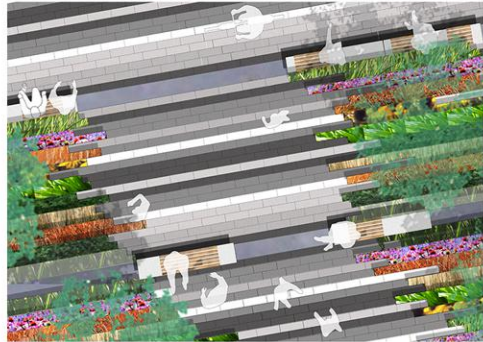

We are seeking an outgoing & motivated Landscape Architect with an undergraduate degree who is looking to be a part of our enthusiastic & friendly work environment for their year out. We are offering the opportunity to work on a variety of exciting projects at all stages of the design process; you will gain experience in a wide range of innovative public realm, education and urban regeneration schemes throughout the UK & Overseas.

Post Graduate Landscape Architect

We are looking for a dedicated and hardworking individual who will strive to contribute to our young and enthusiastic team with a year of landscape related work experience desirable for this position. We expect you to have excellent graphic and communication skills and be proficient in AutoCAD, Photoshop, Indesign, SketchUp with Revit experience an advantage.
