

# Graduate Landscape Architect Opportunity

b:d landscape architects are a design based consultancy with outstanding expertise in the field of public realm design and a growing reputation for contemporary landscape architecture, urban design and space-making.

b:d are a dynamic, energetic & dedicated firm of landscape architects committed to the integration of sustainable design to deliver amazing places.

our approach combines contemporary sustainable design with creative ecology looking to glean the unique genius loci from each place – our designs draw inspiration from the history, ecology, environment, use & character of the site.

we believe in creating **extraordinary effects** with *ordinary things* to deliver meaningful and much loved public spaces & places.

**we are seeking a highly motivated and enthusiastic Postgraduate Landscape Architect to join our team where you will gain experience in a wide variety of innovative public realm, education and urban regeneration projects.**

**we expect you to have excellent graphic and communication skills and be proficient in AutoCAD, Photoshop, InDesign and SketchUp or Revit.**

**please apply with refined examples of your exceptional work and a CV to Lindsay Beswick via email ([info@bdlandarch.com](mailto:info@bdlandarch.com)) or in writing to the address below.**

we look forward to hearing from you.
