

Employment Opportunity

We are seeking to fill the following positions at our creative London office:

Year Out position

The successful candidate will hold an undergraduate degree in Landscape Architecture and have excellent presentation skills.

A proven competency in AutoCAD, Photoshop, InDesign, and strong 3D visualisation skills are required

Post-Graduate Landscape Architect

In addition to the above criteria, candidates should have a post-graduate qualification in Landscape Architecture. A year of relevant work experience is desirable for this position

About us

We offer competitive salaries, provide mentoring to P2C students, and there are future opportunities for BIM training. We have a diverse portfolio of projects ranging from public realm, regeneration and educational landscapes, including the recently won Green Heart project at Birmingham University. For further details of our work please visit our website www.churchmanlandscapearchitects.co.uk

How to Apply

If you are enthusiastic, keen to learn and aspire to be based in London please send your CV & portfolio examples to Joyce Lorinstein at j.lorinstein@churchmanla.co.uk
