We are looking for talented and enthusiastic:

Graduate and Year Out Landscape Architects

Based in Tunbridge Wells in Kent, David Huskisson Associates is a friendly and successful landscape design practice. We believe passionately in producing landscape designs of quality that are sensitive to local culture, community and place. Our workload includes all aspects of landscape design from initial feasibility studies, site appraisal and landscape and visual assessment through to detailed design and contract administration, for both private and public sector clients.

We are now looking to expand our team and are seeking **Graduate** and **Year Out Landscape Architects**. You will need to be motivated, positive thinking, creative and practical with good all-round communication and presentation skills. Knowledge of AutoCAD and/or KeySCAPE and Adobe Creative Suite is essential.

We can offer the right candidates:

- a competitive salary
- excellent opportunities for career development
- a commitment to training, CPD and professional development
- a friendly and supportive working environment
- opportunity to contribute to a variety of exciting projects, at all stages
- a central location in the vibrant spa town of Tunbridge Wells, we are within 1 hour of both London and the south coast and channel crossings - a perfect lifestyle choice in the south-east.

This is an exciting time to join our thriving practice!

If you are interested in joining our team, please email a letter of interest, your CV and examples of your work to Nicola Brown at nicola.brown@dha-landscape.co.uk

Closing Date for applications is **30th June 2016**
