We are looking for talented and enthusiastic:

Graduate and Year Out Landscape Architects

Based in Tunbridge Wells in Kent, David Huskisson Associates is a friendly and successful landscape design practice. We believe passionately in producing landscape designs of quality that are sensitive to local culture, community and place. Our workload is varied and includes all aspects of landscape design from initial feasibility studies, site appraisal and landscape and visual assessment through to detailed design and contract administration. Our current projects include design and assessment for mixed-use, healthcare, residential, infrastructure, education, historic landscape and agricultural schemes as well as the supervision of landscape construction and maintenance.

To join our team you will need to be motivated, creative and practical with good all-round communication and presentation skills.

In return for your commitment, we can offer the right candidates:

- a competitive salary
- excellent opportunities for career development
- a commitment to training, CPD and professional development
- a friendly and supportive working environment
- opportunity to work across a variety of project work
- centrally located in the vibrant spa town of Tunbridge Wells, we are within 1 hour of both London and the south coast and channel crossings - a perfect lifestyle choice in the south-east.

If you are interested in joining our Practice, please send a copy of your CV and examples of your work (hand and computer generated) to:
