fira

We have a number of exciting new projects working with some of the UK's leading design teams. We are looking for talented and creative staff to join our busy team in Birmingham for an expanding workload in the UK.

We are an enthusiastic and friendly practice, offering generous rewards and excellent career prospects.

Landscape Graduates

We have the potential for a number of vacancies for a wide range of talented landscape graduates.

If you are interested in joining our award winning team and feel you have something to offer, please send in your CV and examples of your work to <u>mail@fira-la.com</u> by 22nd August 2014.
