GRADUATE AND YEAR OUT LANDSCAPE ARCHITECTS

Townshend Landscape Architects are a London based practice currently working on a range of challenging and high profile public realm projects in the UK and overseas.

We are seeking highly motivated and enthusiastic Graduate and Year Out Landscape Architects to join our team where you will gain considerable experience on a number of major public realm and masterplan projects. We expect you to have excellent communication and graphic skills, and be proficient in the use of AutoCAD and Photoshop.

Please apply with a CV and examples of your work to Robert Townshend by email (recruitment@townshendla.com) or in writing to the address below.

Townshend Landscape Architects are an equal opportunities employer.
