

Graduate Landscape Architect Job Opportunity

We have an exciting opportunity for a Graduate Landscape Architect to join our fast paced Landscape Design Team based within a five minute walk of Billericay Station. We are offering a competitive salary, semi-annual bonuses, company pension, company stock options and other benefits.

We are seeking a talented and enthusiastic Graduate Landscape Architect to join our ambitious design practice and work alongside our other landscape architects to provide exceptional service delivery on a range of schemes across the UK.

Key responsibilities will include:

- Producing a range of landscape drawings & reports
- Delivering a high quality of professional service on time and within budget
- Producing schemes that meet the clients brief
- Working proactively and developing strong relationships with the wider Construction Team, Ecologists & Arboricultural consultants.

Candidates will:

- Hold a degree in landscape design/ architecture or equivalent.
- Have a high level of competency in the use of AutoCAD, Adobe Creative Suite and Microsoft Office packages.
- Be able to demonstrate strong design and creative abilities.
- Require attention to detail, a high level of accuracy and plenty of initiative
- Have solid plant knowledge of commonly used trees, shrubs and hardy perennials and show a willingness to learn.
- Work both individually and within a wider team.
