

Graduate Landscape Architect

Chipping Norton, Oxfordshire

Competitive Package

Company

Established in 1998 Lockhart Garratt Ltd has developed into one of England's leading independent consultancies providing expert, high quality, professional advice with a focus on all matters relating to trees, ecology, woodland, forestry, landscape and green infrastructure from both our Northamptonshire and Oxfordshire offices.

Role

Lockhart Garratt is looking for a friendly and enthusiastic graduate landscape architect with a post graduate diploma in Landscape Architect or similar accredited course, to join our expanding Chipping Norton Office.

The successful candidate will be involved in all aspects of the planning process from inception through to design development, preparation of Landscape and Visual Impact Assessments (LVIA) and other support documentation through to detailed design and implementation. The role will require you to assist with the preparation of Landscape and Visual Impact Assessment (LVIA) and while report writing experience is preferable full training will be given in this respect.

The successful candidate will be invited to join our Graduate Training Programme which seeks to develop knowledge and experience by working closely within other elements of our multi-disciplinary team.

Competitive salary offered, with clear career development and mentoring opportunities. Lockhart Garratt also offers a number of employee benefits including a company pension scheme and further detail in this respect will be provided at interview stage.

Skills & Experience

Candidates should demonstrate good design, report writing and communication skills.

Candidates should be proficient in the following software packages:

- Office
- AutoCAD
- Photoshop
- InDesign
- Illustrator

Experience with programmes such as Keyscape or Google SketchUp Pro will be to your advantage, as is a good working knowledge of horticultural plants and trees.

Contact

If you think the above reflects your qualifications and aspirations and you would like to be considered for this exciting opportunity then please forward a copy of your CV and covering letter, alongside some A4/A3 examples of your work, to richard.fox@lggluk.com
