

Graduate Landscape Designer LDA Design - London Studio

LDA Design is an award winning, creative and ambitious landscape design, urban planning and sustainability practice. We delivered the London 2012 Olympic Park incorporating the transformation for Legacy, we are currently working on Battersea Power Station redevelopment, as well as a wide range of other high profile UK and international projects.

The continuing demand for our services means we have exciting opportunities for more designers who have ambitions to match ours and also want to energetically contribute their expertise within a collaborative creative team.

We are looking for designers from graduate up to 3 years experience committed to the creation of engaging, interesting and beautiful places. Designers will also need excellent interpersonal, communication and presentation skills and the ability to use 3D Rhino, Adobe Creative Suite and 2D CAD.

We offer a friendly, welcoming, supportive, working environment and great opportunities to explore your interests and develop your skills.

If you are interested in joining LDA Design, please email your CV, a brief statement introducing yourself and a few examples of your work (5Mb max) to:
anne.south@lda-design.co.uk. The deadline for applications is 28 November 2014.

If you would like to discuss the role before submitting your application, please contact Anne South on 01733 310471 who will direct you to the relevant member of our team.
