

## FANTASTIC OPPORTUNITIES AT LDA DESIGN FOR GRADUATE LANDSCAPE ARCHITECTS

*LDA Design* is an award winning consultancy that led the 2012 Olympic Park design team, with specialisms in design, development, infrastructure, renewable energy and sustainability. We have an impressive portfolio of global, national and regional projects at all stages of the planning, design and construction process.

The practice offers great opportunities for professional and career development within a friendly, supportive and stimulating environment. It also offers a dedicated Graduate Training Programme and mentoring through the Pathway to Chartership.

In addition to Landscape Architects, we employ experts in masterplanning, urban design, ecology, historic environment, protected landscape, planning, architecture and EIA. We believe in integrated working across our wide portfolio and encourage new members of our team to engage with wider areas of the practice's work in order to broaden their expertise.

If you are interested in joining *LDA Design*, please email your CV, a brief statement introducing yourself and a few examples of your work (5Mb max) to:
