

LANDSCAPE GRADUATE PART 3

Halsall Lloyd LLP is seeking a Part III Landscape Architectural graduate to join our Landscape and urban design team in Liverpool.

The Halsall Lloyd Partnership are an established design practice providing a wide range of services nationwide. Design of distinctive places through a rigorous process of analysis and engagement with the public, users and stakeholders is a vital and integral part of HLP's work. In both the urban and rural context, HLP's approach enhances the quality of the human experience as well as local eco-systems.

Ideal candidates should be pro-active, have strong design and presentation skills, be team players in a multi-disciplinary environment. We are looking for candidates who have great verbal & interpersonal skills and are keen to work with communities on a range of interesting and challenging projects. This role requires proficiency in key design software programmes such as CAD & Adobe.

The successful candidate will be part of a growing, friendly interdisciplinary team and will have opportunity for P2C mentoring.

Please send us your CV and examples of your work via email to practice.manager@hlpdesign.com If you'd like an informal chat call 0151 708 8944.

We are looking forward to hearing from you as soon as possible.
