

OPPORTUNITIES AT AUSTIN-SMITH:LORD

Landscape Architect / Assistant Landscape Architect – Liverpool Studio

We are looking to recruit a talented, recently qualified Chartered Landscape Architect or experienced Part 3 working towards chartered status, to join our landscape team in Liverpool.

Candidates should be motivated, organised and have excellent design and communication skills. The ability to work as a team member, particularly within multidisciplinary teams is particularly important. Our work is predominantly within the urban realm and so an affinity and technical ability within the built environment would be essential.

The candidate will need to be proficient in CAD and with a willingness to develop skills in Revit.

The successful candidate will join a busy and creative studio working on an exciting range of projects from conceptual design through to detailed contract implementation within a wide range of sectors including transportation, education and urban regeneration.

Candidates must be eligible to work in the UK.

A competitive salary will be offered to the selected candidate, commensurate with experience and ability.

If you would like an informal chat about the position prior to making an application then please call Neil Chapman or Chris Moor at the studio on 0151 227 1083.

Interested applicants should email an up-to-date CV with examples of work (less than 10mb please) to: karen.monks@austinsmithlord.com

No agencies please
