

POST-GRADUATE LANDSCAPE ARCHITECT

Permanent, Full Time Post. Location – Bristol

Liz Lake Associates are looking for a Post-Graduate to join their dynamic Bristol office in August 2016. We believe this opportunity would provide the individual with a sound industry-based platform of experience, and an excellent foundation for the career of a first class young designer. We are an independent practice with offices in Stansted, Bristol and Nottingham, currently over twenty strong, with a profile of work spanning from Landscape Planning, Masterplanning through to Detailed Design, Construction, and Management Plans.

You should be:

- Highly motivated, a good communicator and confident working within a team or self-directed;
- Experienced in CAD, Adobe Creative Suite, and Microsoft Office;
- Excellent at report writing and have experience in Impact Assessments; and
- Able to demonstrate a high standard of organisation and time management skills.

Our practice targets that all members of the team should have variety of experience, continued learning opportunities, exposure to a strong supply chain and an accessible network of Senior Colleagues. We would anticipate the candidate commencing with their 'Pathway 2 Chartership' and would actively assist with Mentoring requirements.

We ask you to send your CV by e-mail with a letter explaining why you wish to join us, outlining your aspirations, and your experience. We also ask for a succinct portfolio of design work showing conceptual work, Masterplan work, and Softworks and Hardworks detailing. A full driving license is required.

Send your application to: dawn.giffin@lizlake.com and see our website www.lizlake.com

Closing date: 22nd July 2016.

Liz Lake Associates is an Equal Opportunities Employer offering excellent working conditions and training opportunities.
