

Landscape Architect

Location: Cheltenham, Gloucestershire

Posted: 1st May 2014

Type: Full time

Deadline: 30th May 2014

Salary: To be Agreed.

Start date: June 2014

MHP Design is looking for a versatile all-rounder to join our small friendly team in Cheltenham. We work on a diverse range of projects, from high quality bespoke private design commissions to medium scale residential master planning and landscape planning solutions.

The position is ideally for a Chartered Landscape Architect (CMLI) but we will consider applications from those on the Pathway to Chartership, with a good level of post-graduate experience.

Candidates will be motivated and organised, with good initiative. Excellent verbal and written communication skills are essential as is the flexibility to be able to work as part of a team or individually. The minimum requirements and skills are as follows:

- High quality graphics presentation
- High quality report writing
- First-hand experience of writing Landscape and Visual Impact Assessments
- A good understanding of the UK planning system
- Experience of client, consultant and local authority planning meetings
- Good design skills
- Proficient in Adobe Creative Suite
- Proficient in AutoCAD

Other desirable skills would include:

- Good plant knowledge
- Good hard landscape design skills
- Experience of residential master planning
- Experience of running projects/contract administration
- Autodesk Revit or SketchUp

Please submit your CV and a portfolio of work (in PDF format with file size not exceeding 10MB) by email to mhp@mhpdesign.com or by post to:
