

## Graduate Landscape Architect, Cirencester

Pegasus Environmental is part of the Pegasus Group which is a multidisciplinary planning and development consultancy employing landscape architects, environmental planners, urban designers, town planners, sustainability professionals and arboriculturalists.

On the basis of an expanding workload, we currently have a vacancy for a Graduate Landscape Architect in the Environmental Team of our Cirencester office.

We are looking for a talented, enthusiastic and motivated Graduate Landscape Architect with strong design, written, and communication skills. You will have a keen interest all aspects of landscape architecture including hard and soft landscape design, green infrastructure and landscape and visual assessment.

Applicants will have good Auto CAD skills, and familiarity with Adobe Creative Suite and Sketch-up. Experience of Keyscape, Vectorworks and ArcGIS would be an advantage.

Please telephone Andrew Cook (01285 888025/0779 5010 660) for an informal discussion or email [andrew.cook@pegasuspg.co.uk](mailto:andrew.cook@pegasuspg.co.uk) with CV, examples of written and graphic work.

For this Graduate Landscape Architect post Pegasus Group will offer a competitive salary, a friendly team and mentoring for those wishing to progress on the Pathway to Chartership.

This is an excellent opportunity to join one of the UK's leading Planning, Environmental and Design consultancies.

Pegasus Group is an Equal Opportunity Employer.

Applications to be received by 15th July 2013.
