

Opportunities for Year Out & Graduate Landscape Architects in Manchester.

We are P-IE (Planit Intelligent Environments), a design practice with a passion for outside spaces and the part they play in our communities.

For over 15 years we've been turning spaces between buildings into places for people to explore, engage with and most importantly, enjoy.

From the UK's largest regeneration projects to bespoke single site commissions, our team of Landscape Architects, Urban Designers, Architectural Visualisers, 3D Animators and Graphic Designers are committed to design quality in the built environment. Whatever the scale, whatever the challenge.

As a result of continued growth and an increasingly buoyant construction industry we have been successful on a number of bids on some of the industry's most exciting projects, both nationally and internationally. To support our team of experienced Project Landscape Architects, we require resourceful and driven individuals to support them. Willing to pitch in at all stages of our projects, applicants must have excellent graphic skills and be used to working under pressure and to challenging deadlines. In return, you will be rewarded with a professional experience that will teach you invaluable skills ranging from presentation of concept material to client meetings and on site construction works.

All levels of staff in our studio have the opportunity to work on a wide range of projects, at a variety of scales, at all stages of the design process.

Applicant skills:

Essential:

- Graduate / Post-graduate degree in Landscape Architecture or similar;
- Excellent communication skills, verbally and graphically;
- Experience of the Adobe Creative Suite, Sketch Up and a recognised CAD package;
- Willingness to learn and engage with the wider studio team;

Beneficial:

- Experience of Vectorworks and the Mac OS platform

Application requirements:

Please provide a (bespoke) compelling cover letter, CV and illustrative examples of your work (max 8 A3 sheets), in a single PDF (no larger than 5MB) marked for the attention of Matthew Warner, Practice Manager, sent to recruitment@planit-ie.com. No postal copies.

Planit Intelligent Environments are an Equal Opportunities Employer and welcome applications from all suitably qualified persons.

Closing Date: Friday 31st June 2014 - STRICTLY NO AGENCIES
