

Randall Thorp is an award winning landscape design practice, based in the centre of Manchester. We have a diverse workload throughout the UK, both at planning and implementation stages.

## VACANCY Graduate/Student Landscape Architect

We are looking for a talented, enthusiastic and motivated (Graduate/Student) Landscape Architect with strong written, design and communication skills to join our team in Manchester.

Our city centre location, within a Grade 2 listed building, provides an attractive place to work, minutes from Manchester's vibrant social life and within easy reach of the Peak District and Cheshire countryside.

### About the role

Our current workload is varied and includes:

- New masterplanning for Cambourne urban extension
- Green Infrastructure design for Bicester Eco Town
- Detailed landscape design for Westmorland Services
- Masterplanning and LVIA's, for sites across the country
- Play area design for Northstowe new town

You will get a wide range of experience and be involved in all stages of project development from concept design to construction, supported by an experienced team.

Our practice is a friendly, active and supportive environment. The practice offers a range of benefits and opportunities for career development, along with a bonus, pension and health scheme.

Salary will be £15K- £21K dependent on experience.
