

GRADUATE LANDSCAPE ARCHITECT OPPORTUNITY

Stephenson Halliday is a well-established environmental planning, landscape architecture and design consultancy, specialising in minerals planning, waste management and renewable energy developments as well as residential, commercial and leisure projects.

We are seeking a Graduate Landscape Architect to assist our landscape architectural team in our busy Kendal office where we offer a friendly working environment and ongoing training.

We are looking for a highly organised, dynamic and creative individual with excellent written and graphic skills. Proficiency in InDesign, Photoshop, AutoCAD and GIS would be an advantage.

Please apply by July 4th with your covering letter, CV and examples of your work in writing or via email to:

Ann Gore
Stephenson Halliday
32 Lowther Street
Kendal
LA9 4DH

Tel: 01539 739000
email: ann.gore@stephenson-halliday.com
