Employment Opportunities

We have a requirement for a Year Out position and/or a Part 3 Graduate position for our busy South West landscape practice. We are based in Taunton, Somerset and we work across the UK and the South West. We have a wide portfolio of projects including Housing, LVIA's, Renewable Energy, Public realm, Health Care including dementia landscapes, Play and Commercial Landscapes.

We can offer a wide range of experience, good contract experience (for those working towards professional exams) and a competitive salary. Please post or e-mail your CV and covering letter to the above contact details before the end of July 2014.

Please also provide some samples of your work as a web link or pdf file (or hard copy if posting).
