

JOB OPPORTUNITY: LANDSCAPE MANAGER - TEP

The Opportunity

TEP is the Homes and Communities Agency's (HCA) National Green Estates Consultant and assists with the management of the government's surplus land portfolio awaiting development in England. TEP is seeking to recruit a suitably qualified Landscape Manager/ Graduate Landscape Architect to sit within TEP's Gateshead Team assisting the other Landscape Managers, Arboriculturists and Managing Agents working on the Homes and Communities Agency's sites. The opportunity will also involve working on other projects with the wider team of consultants across TEP.

About TEP

TEP is a multi-disciplinary environmental consultancy employing environmental planners, landscape architects, urban designers, landscape managers, ecologists and arboriculturists working on a wide-ranging project portfolio.

TEP is based in Warrington, Gateshead, Milton Keynes, London and Kent where it is run by three directors and employs over 100 professionals. We are all passionate about creating quality places for the benefit of people, nature and business.

Our client base is very diverse and includes Homes and Communities Agency, Forestry Commission, United Utilities, National Grid, many Local Authorities, National Trust, major energy infrastructure firms, housebuilders, Groundwork Trusts and a number of Community Forests. Our green infrastructure work takes us across the British Isles. Please look at our website www.tep.uk.com to see the breadth of our commissions.

The Post

This is a full time fixed term contract (currently to March 2015) based in our Gateshead office. This service manages land awaiting development and encompasses management of the hard and soft landscape. The role involves contract management, the regular inspection and audit of sites within the HCA portfolio, the identification of and mitigation of any health and safety and environmental issues identified, and general estate and facilities management of the sites.

The successful applicant will be largely, but by all means not solely, working on projects for the Homes and Communities Agency. It will involve report writing and site appraisals/visits.

The closing date for applications is Monday 10th March 2014.
