

Year Out Landscape Architect

Applied Landscape Design is a full service Landscape Architecture, Urban Design and Landscape Management practice based in Oxfordshire. The core skills of the practice combine urban design and landscape architecture, masterplanning, detailed design, contract administration and landscape management strategies.

The practice, established in 2002 by Kym Jones, are proud to offer all clients a valuable mix of multidisciplinary expertise, personal involvement, commitment to detail and a desire to deliver truly successful projects.

The team has a wealth of experience working with corporate, government and private clients to design parks and public gardens, streetscapes, roof gardens, commercial and corporate headquarters, retail developments and housing, health and education projects.

Applied Landscape Design has an excellent track record across a diverse range of projects for a wide portfolio of clients. Further more we continue to secure work within the UK, across Europe and the Middle East.

The Position

We have a vacancy in our Chesterton Office for a Year Out Landscape Architect to strengthen our existing team.

We are looking for someone who is a highly motivated teamplayer, focused on attention to detail and right first time delivery, with strong communication skills.

Training & Professional Development

We encourage our staff to develop their personal and professional skills. Year Out Landscape Architects will be supported throughout their training period by an experienced mentor. Successful applicants will have the opportunity to be directly involved in a comprehensive range of UK and International schemes.

Duties & Responsibilities

- Design, development and consultations
- Preparation of drawings, reports and contract documents
- Production of presentation materials
- Assist with site surveys, feasibility studies and assessments
- Support other members of staff

Qualifications & Experience

- Applicants should be working towards a Degree or Masters qualification in Landscape Architecture or an associated discipline
- Good presentation skills are essential as well as the ability to prepare technical and working drawings

- Experience in Autocad is desirable but not essential
- Ability to organise own work schedules and support others
- Strong interpersonal skills and attention to detail

Location

This post will be based at Applied Landscape Design, The Threshing Barn, Bignell Park Barns, Chesterton, Nr. Bicester, Oxfordshire OX26 1TD.

Salary & Benefits

We believe that to attract the best we should offer excellent rewards. Year Out Graduates will enjoy a competitive salary based on service and delivery, which will be based on 37.5 hours per week.

- 20 days holiday, plus statutory days
- Potential sponsorship funding would be considered during final diploma year for the right candidate
- Flexible start dates can be negotiated
