

YEAR OUT/GRADUATE LANDSCAPE ARCHITECT

Location: Raynes Park Office

PLACE is an award winning practice of landscape architects and urban designers in South West London. We are involved in a range of projects including public spaces, residential neighbourhoods, hotels and schools. Our work is about creating well designed places that provide people with a sense of belonging and community. We are looking for a Landscape Architect with a year or two's work experience who has strong design skills and an ability to illustrate their work with flair and creativity. We are looking for someone with plenty of enthusiasm and a proficiency in Autocad, Sketch-up and Adobe Creative Suite. Graphic design skills and the ability to use Keyscape and Plant Partner would be an added bonus.

To gain an understanding of the wide range of interesting projects on which we are currently engaged, please visit our website www.placedp.com. If working for PLACE sounds interesting, (you must be eligible to work in the UK with a current visa) please send a covering letter, including details of your notice period/ availability to work, and your current/ expected salary, a CV, and samples of your freehand and AutoCAD work (maximum 10 pages) via by post or email to:
