

Ares Landscape Architects Year-Out and Post Graduate Positions

Ares Landscape Architects Ltd are a design practice with studios in Sheffield, London and Cheltenham. We work on a comprehensive portfolio of projects throughout the UK and overseas.

We have vacancies this summer for year out and post graduate students in all offices. The successful candidate(s) should be dedicated, flexible and a talented individual happy to assist at all levels of the business.

We offer a competitive salary and flexible working. The successful candidate must be proficient in Photoshop and InDesign, knowledge of Vectorworks would be great however not required as training will be provided.
