

# Celebrate Community!

**Gloucester Cathedral Chapter House**

**Wednesday April 3rd 2019 - 2:30-6:30pm**

**Join our free celebration of community, cultural diversity  
and collaboration for the global sustainability goals.**

UoG and Gloucester Cathedral invite you to enjoy food and music, and share with students and community in:

- **Showcasing** entries to the Live Smart Community Challenge, and judging the winners!
- **Making** and sculpting your own gargoyle to tell your story of identity, place and culture – local or global!
- **Connecting** with other students and community groups working to create positive change for the Global Goals.

**“We are UoG,  
We are Gloucestershire,  
We are Global”**

## Programme

**2:30-2:45**

**Arrivals, tea and coffee**

**2:45-3:30**

**Welcome and community challenge showcase**

**3:30-5:00**

**Gargoyle workshop**

As part of Project Pilgrim, the Cathedral has extensively restored the stonework of the Lady Chapel. The next phase of restoration is a set of 6 new Gargoyles on the North side of the Cathedral which will celebrate people and places in Gloucestershire. In this workshop you'll have the opportunity to sculpt your own clay gargoyle to celebrate and share your own identity and cultural origins.

**5:00-5:30**

**Prize giving and celebrations**

Announcing the winning entry to the Live Smart Community Challenge!

**5:30-6:30**

**Sustainable buffet Supper!**

## About the Global Goals

The United Nations has 17 Global Goals to improve the sustainability of communities by the year 2030. These include gender equality, health and wellbeing, sustainable consumption and production, and climate action.

## About the Live Smart Challenge Showcase

Throughout the Live Smart Community Theme students have been teaming up to help #TeamGlos make a difference for the Global Goals in their community.

We asked them to capture their experience through photos, film, blogs, and other creative media for the chance to win our prize.

## About our Community Partnership

We're working with Gloucester Cathedral and our RCE local network as part of our shared interest in taking action for the Global Goals.

UoG is the 2nd most sustainable university in the UK, and the Cathedral is improving its environmental and community impact through its Project Pilgrim initiative which is Heritage Lottery Funded.
